Hello, I'm making this group for the team project, I am Jo, who was given charge of this project.
Hello, I'm Lolla. I'll say it in advance, but since I have hearing disability, I won't be able to be very useful for the discussion. But I will still come to every discussion!
Welcome!
Hello, I'm Anne! I'll do my best!

Person B: Either disabled people have no other problems either. It's a shame you are looking together like "Just that she graduated from Seoul university with her like that. But, you friend hear my disability with her amazing ability is a shame." Hope you just see her as just a person. In my opinion, I'm a little annoyed that what you wrote in your top comment...
